Check the schedule and workshop descriptions

A partial graphic of a globe showing the continents of North and South America in dark blue against a light grey background, located on the left side of the page.

Explore the future as a team  
through a role-play  
(industries, regulators, civil  
society) aiming at **reducing  
emissions to 2 tonnes per  
person and per year by 2050.**

Saturday 27th of April  
10 AM - 1 PM  
2 PM - 5 PM

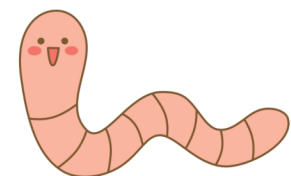

# The Agri'Food Collage

Understand how our **global food and agricultural** system works, and discuss the **transformations** needed to make it more **sustainable**.

Saturday 27th of April  
10 AM - 1 PM  
2 PM - 5 PM

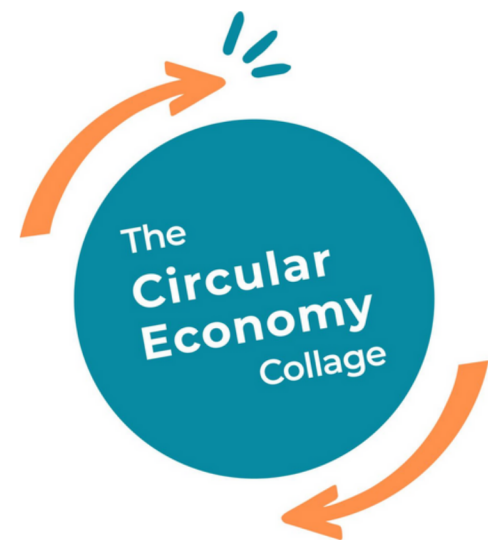

The  
Biodiversity  
Collage

Discover how **ecosystems** work,  
the **services** they provide to  
humankind, the **threats nature**  
and **biodiversity** currently face,  
and what can be done about it.

Saturday 27th of April  
10 AM - 1 PM

Look at our **economic model** and its impacts, and explore a **different, circular model**, that uses fewer resources, designs out waste and respects planetary limits.

Saturday 27th of April  
10 AM - 1 PM  
2 PM - 5 PM

Understand the fundamental **science** behind **climate change** and feel empowered to take action, working in teams to find solutions.

Saturday 27th of April  
10 AM - 1 PM  
2 PM - 5 PM

# The Digital

# Collage

Understand the **environmental impacts** linked to **technology** and the **digitisation** of our economy, and explore what actions can be taken.

Saturday 27th of April  
10 AM - 1 PM

Understand the order of magnitude and identify the possible actions to transition towards a **lower-impact and healthier transportation system.**

Saturday 27th of April  
10 AM - 1 PM

+Train to become facilitator 2 PM - 5 PM

# Planetary boundaries

## FRESCO

Learn about the **nine planetary boundaries** (climate change, biodiversity loss, land use change, etc.), map and link them to consider **systemic issues** in an integrated way.

Saturday 27th of April  
2 PM- 5 PM

# TEXTILES UNTANGLED

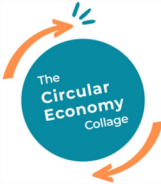

Understand the impacts of the **textile industry** on the **environment and society**, and discuss **solutions** for consumers and businesses to help the sector reduce its impact.

Saturday 27th of April  
2 PM- 5 PM
